

Event Coach Tips (Event coaches are people who are working directly with students helping them become proficient in their event.)

- It is very important for Event Coaches to attend the virtual [Event Coach Training](#) on January 13, 2024, to hear what the event supervisor has to say about your event.
- Read over the [rules](#) for your event. Be ready to ask questions when you attend the coaches training.
- Watch [this online video](#) "Science Olympiad Event Coach Tips". It gives tips to help make your coaching a success.

Student Tips

- Click [here](#) to check out the list of events for this year.
- Be ready to tell your head coach which events you're interested in doing.
