

## Event Coach Tips (Event coaches are people who are working directly with students helping them become proficient in their event.)

- Click [here](#) to check out the rules of events for this year. Let the head coach of your school know which event you would like to coach.
- Watch [this online video](#) “Science Olympiad Event Coach Tips”. It gives tips to help make your coaching a success.
- Attend the Virtual Event Coach Training on Jan. 13, 2024, schedule TBD.

## Student Tips

- Click [here](#) to check out the list of events for this year. Be ready to tell your head coach which events you’re interested in.
