

## Event Coach Tips

(Event coaches are people who are working directly with students helping them become proficient in their event.)

- Check out our new website! Same address ([macombso.org](http://macombso.org)), new look and function! Feel free to send us your feedback!
- Let the head coach of your school know which event you'd like to coach. [Here](#) is a link to the list of events.
- Watch this online [video](#) "Science Olympiad Event Coach Tips". It gives tips to help make your coaching a success.

## Student Tips

- Click [here](#) to check out the list of events for this year. Be ready to tell your head coach which events you're interested in participating.
