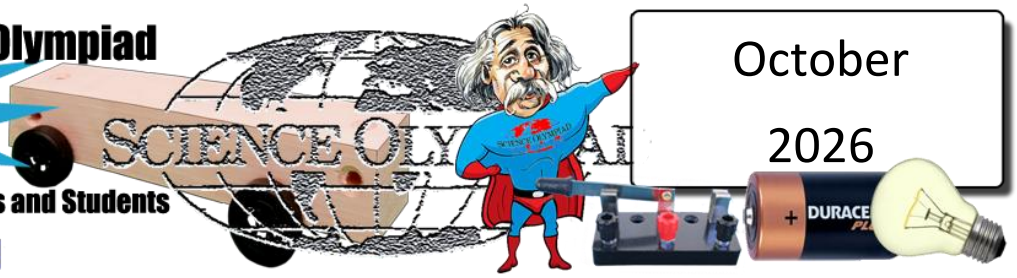
Elementary Science Olympiad TIPS

for Head Coaches, Event Coaches and Students

MacombSO.org



October 2026

Event Coach Tips (Event coaches are people who are working directly with students helping them become proficient in their event.)

- Check out our website for the latest information! macombso.org
- Let the head coach of your school know which event you'd like to coach. Here is a link to the list of events.
- Watch this online video "Science Olympiad Event Coach Tips". It gives tips to help make your coaching a success.

Student Tips

- Click here to check out the list of events for this year. Be ready to tell your head coach which events you're interested in participating.
