

## Macomb Elementary Primary Team Registration – 2024 Season

- All Head Coaches should promptly register their team.
- The registration fee is \$100, and can be paid by either check or credit card.
- As part of that process, HCs will be asked if they intend to have a Second Team.
  - The registrations of Second teams are contingent on tournament capacity, and will begin in early November. That registration fee is \$75.
- Teams which register will soon be issued a team number. The tournament schedule for their specific number should be consulted for conflicts before making event assignments to students. Most conflicts are common to all teams, but it is not 100% consistent.
