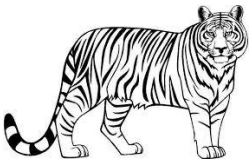
The **Einstein Award** for 2026

The **Einstein Event Champion Award** will be presented to students who *have the **highest raw score*** in an event at the Macomb tournament. **K-5 and K-6 schools will be ranked separately.** *The winners may come from either the Primary or Second divisions, based on the raw scores.* As such, for most events there will be 4 students who win this award.

Once scores are finalized within a few days after the tournament, each winner will be contacted to arrange the appropriate award.

Wildlife Safari Champions



The **Wildlife Safari** event champions will win a pass to a "**Summer Safari**" at the Detroit Zoo.

Our friends at the zoo are the long-time sponsors of the Wildlife Safari event, and they host this fantastic week-long day camp experience.

The Einstein Award began because of the inspiration of this Wildlife Safari award.
