Dear Coach:

We were delighted with the success of the third Macomb Elementary Science Olympiad, May 17. We feel that this event is effective in generating enthusiasm and interest in science.

It would be impossible to consider such an event without the assistance and dedication of approximately 60 Macomb County educators. On behalf of the children who participated, we wish to thank you for the generous contribution of your time and skill. As a Coach, you helped make this day a memorable one for many youngsters.

Attached is a copy of the final results shown in rank order and also by team numbers.

Sincerely,

Carolyn Wallace
