PENTATHLON

Welcome to the 9th annual Chippewa Valley Elementary Science Olympiad Tournament. Our teams will be competing for the 3 spots at the Macomb Elementary Regional Competition which will be held on Wednesday, May 17, 1995 at Macomb Community College, Center Campus. All students that are participating in the Science Olympiad program are already **WINNERS** because they have been exposed to the *fun* and *excitement* of science process and the application of science.

Congratulations to the students, parents, and teachers that have devoted much time and effort in preparation for today's competition.

Good luck to all participants, have fun and enjoy your day.

Bob Jacobson
Coordinator of Science Olympiad Programs
