November 2025

Fundraising and Sponsorship Advice:
The Four County Community Foundation grant and other sources

We had an hour-long discussion on this topic. Here are several related resources from that session.

- A video recording of the virtual meeting presentation
- The presentation deck
- The 4CCF application notes
- The original 4CCF question list

As more information becomes available on which teams may apply for 4CCF funding, and as other funding solutions are identified, it will be added here.

Dec 8, 2025 update:

- We have confirmed that only schools in the Romeo, Richmond districts + schools in Shelby Township zip codes may apply.
- We are trying to work through the complicated process that Walmart requires, and will hopefully have more info to share very soon. Time is running out.
